

# Global Boarding

## Service Details

"Global Boarding" is a service that helps payment companies onboard new merchants quickly, securely, and in compliance with regulations. In the payment industry, vetting and approving a new merchant often takes a long time, leading to 42% of merchants giving up and moving to faster competitors. Delays not only cause revenue loss but also increase risk, as manual processes can miss fraud, resulting in large fines.

LD Corp (LD) provides high accuracy Global Boarding services on behalf of our partners—payment processors, ISOs, and acquirers. We handle the entire merchant vetting and approval process, combining rule-based automation with deep human expertise to verify businesses safely and compliantly, helping our partners onboard merchants in minutes, not days.

## Why LD?

### Superior Operational Capabilities

- **Leading Approval Speed:** Onboard merchants in just minutes—no more bottlenecks or waiting.
- **Superior Approval Rate:** We approve 97% of legitimate merchants, while other systems often reject 9–12% due to rigid rules.
- **Deep Expertise:** A team of 10 experts, each with over 4 years of experience, ensures no mistakes.
- **Rapid Deployment:** Ready to deploy the solution in just 1 week, with no technical headaches.

### A Strategic Partner to Protect Revenue & Minimize Risk

- **Effective Revenue Protection:** Minimize the risk of revenue loss due to slow processes. The fraud rate across our client base is just 0.2%.
- **Absolute Compliance, Total Peace of Mind:** We track every regulatory change (142 updates last year) and ensure 0 VIRP/Ethoca violations for clients using our full process.
- **Block Bad Actors Upfront:** Utilize real-time checks and 100% human review for high-risk merchants.

### Cost Efficiency and Resource Optimization

- **Reduce Fixed Costs:** Save significantly by outsourcing the process to LD, freeing up your team to focus on higher margin businesses.
- **Superior Cost Advantage:** Leverage the economy of scale and our strategic location in Vietnam to offer the most competitive pricing.
